How many cats are you requesting assistance with?

Are any of the cats friendly and allow petting from strangers?

Do you know how many males and how many females?

Are you the one currently feeding the cats?

We are not an animal rescue so we cannot take in animals to adopt out nor can we relocate cats. Our objective is spay/neuter outside cats and return them to their known environment.

If you are looking to rehome or relocate cats in your care, we can put you in touch with other animal rescue groups in our area.
